

Weather Vocabulary in French

Flashcards with pronunciation guide and translation

Instructions: These flashcards will hold best if printed on cardstock. Print only pages 2-7. Set printer on duplex printing. Cut along guide lines. If your children can read, show them the French word and use the pronunciation guide and translation on the back for your own reference. If your children are non-readers, use the flashcards for yourself to learn and to be able to share these words with them throughout the day.
